

Customer Own Material (COM)

In the case of cladding supplied by the customer, for the best result of each item, the fabric must be equipped with technical specifications. Furthermore, when ordering, the final use of the articles must be clearly specified.

NEW LIFE in any case is not responsible for any defects resulting from the use of the fabric supplied by the customer.

The high quality of the fabric supplier does not guarantee the final use of the fabric itself.

Minimum order: 5 liner meters.
